MEETING OF THE UNION GUARD.—A meeting of elderly citizens was held at the Court House, on Saturday afternoon, for the purpose of forming a House Guard for the protection of the city.

Jas. H. Forsyth was called to the Chair, and Geo. Harrison was appointed Secretary. After several suggestions as to a plan of organization, a preamble and resolutions were submitted, to which a large number of names had been previously signed, pledging the signers as members of a military association, to perform duty in the city of Wheeling.

Some additional names were then signed, when a committee was appointed to procure a suitable place of meeting. The committee soon reported in favor of the Grand Jury Room, and it was, on motion, resolved that when the Association adjourn it be to meet at the said room, on Monday evening, at 7 o'clock.

On motion, the Mayor of the city was unanimously requested to meet with the Association on Monday evening.

The names of the signers were then read. The list contained the names of seventy of our oldest and most respectable citizens, most of whom have spent their lives among us—men who never act precipitately and whose counsels have always been regarded in whatever pertained to the weal or woe of the community.

On motion the meeting adjourned.

UNION GUARDS IN THE FIFTH WARD.

The Union men rallied in their strength at the meeting in the Fifth Ward on Saturday night. Two military companies were formed and enough were enrolled for a third. The utmost enthusiasm prevailed among the men. Chester D. Hubbard, one of the delegates to the late usurping convention, made an earnest, telling little speech in which he gave the people a little insight into what they might expect. He advised the young men to go ahead and form their companies, to act calmly but bravely and determinedly, and he assured them that the hearts of the people were with them. He said that there never was a better set of Union men than the Western members in the Convention, with one exception.

He was prepared to state, from consultation with the said Western members, that a call would be issued soon from the mountain counties for a Provisional Government, and that the people were determined not to submit to the usurpation. He advised all present to obey the laws of the city, and assured them that the Mayor was a good Union man, who would do his duty in this crisis, without fear or favor. The meeting adjourned with great enthusiasm, after organizing, as we said before, two companies.

RENEWAL.—On Sunday, a countryman, with a jaded looking horse in a one horse wagon, was jogging quietly along down Main Street, and when at the top of the hill, opposite Union, the animal got one leg on the outside of the shaft. The old horse commenced to run, and the driver commenced to yell loud enough to scare the oldest horse in the United States out of its original horse senses. When about half way down the hill, the horse, thinking that old Horrie himself was perched up in his rear, speedily opened up his batteries on the wagon, which he proceeded in a very vigorous and insane manner to knock into an indefinite number of separately distinct pieces. The driver instead of bolting the horse in to keep him from kicking, rather let him out, and seemed to rely for safety, in the dire emergency, upon his saddle sized lungs, and went on at a headless rate, entirely disregarding the advice of the police. The last we saw of the arrangement, it was going down Main street and out of sight, in the shape which we have endeavored to describe. We learned afterwards that there was, happily, "nobody hurt."

THE CYCLOPAMA OF IRELAND was exhibited on Saturday night at Washington Hall. It portrays the romantic scenery of green old Ireland—its cities, its rivers, hills and valleys, its castles and departed glories, faithfully. The scenes are entertainingly interspersed with Irish melodies sung by Miss Kate Mac Evoy, accompanied by Miss Maria on the harp and the Professor on the piano. It is a fine entertainment, where one may spend a pleasant evening. The exhibition continues this and to-morrow evenings.

At the conclusion of the exhibition Miss Kate Mac Evoy made her appearance dressed in the red, white and blue, holding in her hand an American flag and sang the "Star Spangled Banner." The audience gave a response about which there was no mistake. The applause was most prolonged and vociferous.

THE C. & P. RAILROAD ACCIDENT.—The name of the unfortunate gentleman who was killed by the accident at Deep Run, on Friday, was Stafford, and not Sanford, as we reported. The train on Saturday was compelled to exchange passengers and freight at the broken bridge, but the damage will be repaired to-day.

A BIG FLAG.—A committee of Union men came down from Wallburg on Saturday for the purpose of purchasing a flag, which is to cost one hundred and fifty dollars. The Union feeling in Wallburg is almost unanimous.

SEIZED.—A boat load of powder, purchased at Pittsburgh, for which we understand that \$25,000 were paid, was seized on Thursday afternoon at Wellsville, by the authorities. The powder is stored at that place.

BUSINESS NOTICES.
PETER AND AGUE—A CASE OF EIGHT MONTHS STANDING CURED BY BERNHARD'S HOLLAND BITTERS.—Michael Kelly, No. 117 Seventh, near Grant street, says:
"Last July, while running on the river, on a cotton boat plying between Natchez and New Orleans, I was taken with Fever and Ague. For eight long months I suffered with this dreadful disease. The greater part of this time I was unable to work, and spent at least fifty dollars for different medicines, but found no permanent relief. Three weeks ago, one of my friends insisted upon my trying Bernhardt's Holland Bitters, saying that a cure was guaranteed. After taking it for one week, I must state I began to feel better. I have been at work now for two weeks, and have had no return of the Chills and Fever whatever. I certify that the above statement is true."
